

Pay your electric bill automatically

Now you can pay your monthly electric bill automatically from your checking or savings account. You no longer have to write a check!

This is a free service. To sign up for direct payment, complete and sign the authorization form and return it to our office along with a voided check or savings deposit slip.

Your payment will be automatically made for you on the last day of each month. If the last day falls on a weekend or holiday, the payment will be made on the previous Friday. You will continue to receive your monthly electric bill as you have in the past, indicating the amount that will be withdrawn from your bank or savings account.

If you have any questions, please call us at 218-456-2139 or toll free at 800-788-7784.
